Building on the strengths of the first edition, this thoroughly updated, revised, and expanded edition offers students and adults a comprehensive perspective on faith, religion, and theology.

Faith, Religion and Theology

When it comes to the religious sphere, faith consists of the belief in one or more gods or deities. However, this always does not have to be the belief in deities and gods as all religions do not believe in the god concept. This can simply be the trust someone has in the teachings of their religion.
