Freedom for the Thought That We Hate: A Biography of the First Amendment is a 2007 non-fiction book by journalist Anthony Lewis about freedom of speech, freedom of the press, freedom of thought, and the First Amendment to the United States Constitution. The book starts by quoting the First Amendment, which prohibits the U.S. Congress from creating legislation which limits free speech or freedom of the press.

### Freedom for the Thought That We Hate - Wikipedia

Brandeis said that those who won independence believed that freedom to think as you will and to speak as you think are means indispensable to the discovery and spread of political truth; that without free speech and assembly discussion would be futile; that with them, discussion affords ordinarily adequate protection against the dissemination of noxious doctrine, that public discussion is a political duty, that this should be a fundamental principle of the government, that the path of safety ...

### Freedom for the Thought That We Hate : Anthony Lewis ...

More than any other people on earth, Americans are free to say and write what they think. The media can air the secrets of the White House, the boardroom, or the bedroom with little fear of punishment or penalty. The reason for this extraordinary freedom is not a superior culture of tolerance, but just fourteen words in our most fundamental legal document: the free expression clauses of the First Amendment to the Constitution.
