Read Online Patricia St John Tells Her Own

Patricia St. John's books already knows how her stories come alive, and this account of her own life is no exception. Her powers of description make the story leap from the page and the reader is transported to far off places and times; and the people and the things she describes can almost be touched, smelled and seen.

I knew Patricia St John
and she would have
been delighted that her
books are published for
this generation. She
was a brilliant writer
and her poems are
lovely (I am
continually searching
for books of her poems.
The autobiography is
