The Complete South African Cookbook by Magdaleen Van Wy This is a good book for the beginner who is looking to learn some of the basic terms. Love the metric conversion section in this book. I was surprised that there are no pictures of what the finished dishes should look like.

### **The Complete South African Cookbook by Magdaleen Van Wyk ...**

Bought this book for a Birthday present, to give someone who lives in the UK a taste of South African cooking. They have only had time to make a select few dishes, but so far they are thrilled to bits with the typically South African dishes and also traditional dishes, with a South African twist to them, So over all, it was a good present, and good cookbook.
